

Habitat for Humanity of Greater Miami Team Build

“Partnering with Habitat for Humanity comes naturally to AvalonBay because they echo the sentiment of our “Building Strong Communities Philanthropy Program .”

Physically building a home during our Team Build gave our employees a great sense of satisfaction—and getting to know the family our effort was directly impacting.....that was the cherry on top!”

- Mike Grant , Community Manager

The Miami Habitat Team Build Program is designed to boost employee morale through a fun and motivational day of volunteering on a Habitat construction site. Working together to help build a home that will be purchased by a low-income family in the Habitat program, is a uniquely rewarding experience for any-sized organization or business. In addition, a Habitat Team Build provides the opportunity to demonstrate your company’s commitment to social responsibility and civic engagement in Miami-Dade County.

YOUR TEAM BUILD INCLUDES:

- 12-month profile featuring company name, blurb, link to photo album in our website’s Team Build section
- 2-year archival listing featuring company name and build date (upon expiration of the initial 12 months)
- Prompt social media cross-promotion with post about company’s involvement and a selection of build day photos
- Optional 30-minute Orientation Session prior to build day at your location or via zoom
- Lunch and Miami Habitat t-shirt for each participant
- Listed Miami Habitat Annual Report

“Raymond James has partnered with Habitat for Humanity chapters across the country for more than 20 years. As a people-first company focused on giving back to the communities in which we live and work, we are proud to support Habitat for Humanity of Greater Miami through sponsorship and volunteerism. Like Habitat, we are advocates for quality, affordable housing for deserving families.”
