

*“Habitat for Humanity is all about building a community together, and we at Santa Margherita USA are building a company, a family and partnerships together. That’s why we were so proud to be a part of this ‘mini-Blitz,’ and as a family we came together to lend a hand and help Miami Habitat build a stronger community. One build at a time. Or in our case, six!”*

— Vincent Chiamonte,  
CEO of Santa Margherita USA

## Habitat for Humanity Team Build

The **Habitat for Humanity of Greater Miami Team Build** program is designed to improve employee morale through a motivational and fun day of volunteering at a Habitat construction site. Volunteering together to help build the home of a hardworking, low-income Habitat partner family is a uniquely rewarding experience for any organization. In addition, the Habitat Team Build provides the opportunity for your organization to demonstrate its commitment to social responsibility and civic engagement in South Florida.

### Your Team Build includes:

- 12-month featured profile including Company Name, Blurb, and a selection of build day photos on our Team Build page of Miami Habitat website
- 2-year archival listing featuring Company Name and Build Date (upon expiration of the initial 12 months)
- Prompt social media cross-promotion with post about company and a selection of Build Day photos. (Reach: 11,000+ Facebook page followers, 1,400+ Instagram followers, and 2,200+ Twitter followers)
- 2 tickets to an upcoming Habitat Young Professionals event
- Optional 30-minute Orientation prior to the build day at your location
- Lunch and Miami Habitat T-shirt for each participant
- Certificate of Appreciation for display at your office
- Link to all build day photos

*“John Deere supports higher living standards and a sustainable environment for people everywhere through our commitment to those linked to the land. One of our citizenship focus areas is Community Development, so naturally we felt that partnering with Habitat for Humanity of Greater Miami would empower our employees to make a difference in their communities. We have thoroughly enjoyed rolling up our sleeves and working hand in hand on Team Builds. We are dedicated to Corporate Citizenship and together with Habitat we will continue to help create economically strong, vibrant, and resilient home communities.”*
